To get to campus from Toronto by transit, two options exist:

- (1) GO Train from Union in T.O. to Ajax GO train station. Transfer to Durham Transit bus #915 to UOIT (do *not* catch #916 which also goes from Ajax GO to UOIT by a much longer, winding route).
- (2) Take Bloor-Danforth (TTC subway) line all the way east to Kennedy station. Transfer to Scarborough LRT going east to Scarborough Town Centre. Transfer to GO bus #93 express from Scarborough Town Centre to UOIT.

Both options rely on a GO connection that leaves every half hour during the day.
